## INVITATION

### Dear Friends and Colleagues,

The European Academy of Phoniatrics (EAP) invites you to participate in the comprehensive training course on "Phoniatics" in Kajetany in 2026! The EAP was founded to establish organizational structures and European quality standards in medical training and practice, providing the best phoniatric patient care. The EAP offers a basic training program for candidates who are interested in the European Board Examination of Phoniatrics (EBE Phoniatrics).

The course follows the UEMS-accredited phoniatric logbook with didactic lectures and hands-on workshops. It provides a comprehensive program covering all main topics in the fields of phoniatrics, including voice, speech, language, paediatric audiology, and swallowing. All topics will be presented by an esteemed faculty featuring speakers from around the world. Join us in an exciting adventure of knowledge exploration, experience exchange, and friendship building.

**Prof. Berit Schneider-Stickler, MD, PhD,**  
President of the European  
Academy of Phoniatrics (EAP)
